

Product Announcement: *ThinkPad Cases*

Value Notebook Case

Part #: ONT091EU

The ThinkPad value notebook case features a topper design, making it easy to remove the notebook, but keeping it safe during travel. The nylon case is constructed to a business casual design, highlighted with light-blue accents. It easily transports ThinkPad series notebooks with screens up to 15.4”.

The case has a front pocket with workstation including pockets for mobile accessories. High quality webbing and soft koskin handles, along with a removable shoulder strap, ensure additional comfort when travelling.

Product Features and Specifications:

- High grade nylon fabric for additional durability
- Handy interior section for writing pad, mobile phone, pens, PDA and much more
- Separate protective area just for your notebook
- Use the non-slip, fully adjustable shoulder strap or the comfort handles for easy transport
- Topload design for easy laptop removal
